SUNOCO STATION w/ 3 BAY GARAGE AND COMMERCIAL KITCHEN

FOR SALE

\$2,500,000

Big Upside Potential

This property is currently being underutilized as the revenue it produces is limited to its fuel and convenience store sales. The true upside potential here would be to add two additional lines of revenue. First, a full-service auto repair business could be added utilizing the 3- bay garage with 3 car lifts, frame machine, a brake lathe, and a detached paint booth 14' x 40' building. Second, the commercial kitchen and outdoor seating area could be used to create a variety of hot meal options for customers from the surrounding industrial area and nearby residential neighborhoods.
