The City of Lamar (County Seat of Prowers County) serves as the industrial and retail center for the southeastern region of Colorado. Located in the midst of the fertile Arkansas River Valley, our surrounding agricultural landscape features wide-open spaces with panoramic views of irrigated corn and alfalfa fields, as well as dryland wheat fields. This semi-arid climate is very favorable to livestock production and offers an average of 340 days of sunshine annually. (Source: Lamar Chamber of Commerce) In 2020, Prowers County, CO had a population of 12k people with a median age of 38.5 and a median household income of \$42,648. (Source: datausa.io)
